Help for the Homeless Hygiene Drive

Feb. 19 - March 12

91.9/91.5 The Family Radio Network invites you to help stock the personal hygiene shelves of your local crisis programs so that they can dedicate their limited financial resources to providing qualified personnel, safe housing, food, education, and counseling to those they serve. Our goal is to supply each program with a year's worth of product. You can help!

Note: Hygiene & cleaning items are not covered by FoodShare (Food Stamps).

Donate at: Festival Foods, Shopko, Walgreens

Thanks to 800+ participating employers, churches, and schools for filling collection boxes of their own!

Donations stay in communities where they are collected.

"First she lost her health, then her job, her insurance, and then her home.

Most of her money was going towards medications. She was living out of her car with no money for extras. When I gave her tampons, toothpaste, toothbrush, soap and shampoo, she began to cry - stating that she'll no longer have to use toilet paper for feminine needs." - Crystal G., crisis agency staff member

"When you're the kid who smells bad in class, it doesn't take long for others to stay away from you.

Sadly, this is a reality for some students who are homeless or living in poverty, whose families cannot afford detergent, toothpaste, or shampoo. Something as simple as smelling bad may set in motion a chain of negative outcomes - lack of positive peer interaction at school, poor attendance, failing grades, limited employment choices, etc. These students have one less problem to worry about and better chances for a brighter future when the school and community work together to help them and their families in this small but powerful way." - Yeng Y. School District Homeless Liaison
